STUDENT FUNDING

There are a variety of funding resources available for student led initiatives at the university.

CONCORDIA COUNCIL ON STUDENT LIFE SPECIAL PROJECT FUND

The Concordia Council on Student Life (CCSL) makes funds available to support projects that enhance or contribute to the quality of student life at Concordia. Events, projects or initiatives that enhance student life are ones that seek to positively raise awareness or engage the student body in a social, political, educational or cultural context. The fund is designed to support innovative and unique activities rather than on-going operating expenses of student groups and initiatives.

CCSL Special Project funding is awarded twice per year and is available to any currently registered student or student group. For more details visit: concordia.ca/offices/ccsl/special-project-funding-guidelines

Do you want to get involved and be CCSL Council member? [Contact us](#) and we can guide you.

ALTERNATIVE SOURCES OF FUNDING

Other sources of funding that your group may be eligible for across the university can be found on our webpage: concordia.ca/life/funding

CO-CURRICULAR RECORD

The Co-Curricular Record (CCR) is an official Concordia University document that highlights and validates a student's achievement and involvement in extra-curricular activities. There are a multitude of activities and positions eligible for recognition. Such as:

- student leader roles
- volunteer positions on campus
- student led initiatives

These activities encourage lifelong learning through personal growth and development, developing employability skills and enhancing transferable skills beyond what is recognized on the student's academic transcript.

The CCR official document can be used to showcase skill development to employers and it can be included as supporting documentation in portfolios as well as in application packages such as graduate school and bursaries.

For details, visit: concordia.ca/ccr
