

Women who LEAD, Fall 2023

Hosted by Concordia, November 14, 2023

Sustainability Report

Platinum
96% score
25 / 26 actions taken

Diversity & Inclusion | 80%

- Deliberately integrated professionals from different cultural backgrounds
- Provided a very detailed and thorough code of conduct

Indigenization | 100%

- Adapted the land acknowledgement available from Indigenous Directions

Accessibility | 100%

- Made event financially accessible by making the event free for students, and enabling reduced pricing for non-students
- Collected post-event feedback from attendees

Waste & Transportation | 100%

- Avoided single-use packaging and served items in bulk without packaging
- Donated leftover food to students

Purchasing & Sponsorship | 80%

- Purchased from a catering business that is local
- Disbursed products that were environmentally and socially responsible

Digital Consumption | 100%

- Advised email recipients to delete the email when no longer useful

Sustainability Awareness & Reporting | 100%

- Managed to communicate the sustainability measures that were being taken for the event
- Event catered to future leaders and entrepreneurs of sustainable companies and products
